

Hardy and Calci know the importance of taking care of their dental health. They brush their teeth AT LEAST twice a day. **Make it a habit to brush your teeth every morning and every night before you go to bed. Floss your teeth often.** Circle a toothbrush each time you brush your teeth. Circle Calci M. Bone® each time you floss. This would be a great time to visit the dentist. Your dentist will be quite impressed with your dental habits!
