

COLOR ME ORGANWISE

Hey team,

Every Thanksgiving, a few of the neighbor families get together and play football. Well, this year, there's a lot of rain in the forecast on Tuesday and Wednesday, so that means things could get pretty muddy on Thursday. Who doesn't love to slide around in the mud alongside your friends and family? This girl certainly loves it! Can't wait for Thanksgiving to get outside and play some football in the mud!

Talk to you later,
Calci
