

COLOR ME ORGANWISE

Hey team,

I hope you all had a good Christmas. I know I did! My extended family and a few neighbors came over on Christmas day. This year, they even brought me a few gifts, which I did not expect. So I am making sure to write them each a thank you card to let them know how much I appreciate their gift. It's a small gesture, but one I have found that means a lot to people.

You should do the same!

Later,
Calci
